

Sterling-Moorman House

Summer 2013 Foundation News

Calendar of Events

Cheney Jubilee-

Come join us, July 13 & 14, 10 am – 6 pm in the Safeway Parking Lot. Visit our booth where we will be raffling off unique gift baskets, gourmet treats from Cheney's Mason Jar Bistro, and best of all, enter our silent auction to win a glamorous, one of a kind 1920s vintage bedroom set!

Summer Board Meetings-

The SMH Foundation meets the last Wednesday of every month in the Cheney Utilities building conference room, 112 Anderson Road. Next Meeting: July 31, 5:30- 6:30

House Updates

We have Stairs!! A special word of thanks to Carl Mount and his team of volunteers from the Cheney First Ward of the Church of Jesus Christ of Latter-Day Saints. A lot of hard work went into the project to dig out the area for the stairs, pour a foundation, then build the stairs and railing. Our own Lowell Mock milled replacement floorboards to match the existing porch floor! Another SMHF member donated materials as well as did Jarms Hardware.

We welcome volunteers for our next project- painting the exterior! Historic color choices will be available for viewing at our next meeting, July 31th.

Membership. The Sterling-Moorman House project is really getting off the ground and we're seeing results. Please join us as a SMHF member and make a difference in our community. To volunteer or join, go to <http://www.sterlingmoorman.org>.

Our Town

Cheney History Fact

"The name of the little community, originally section Thirteen, became Willow Springs, then Depot Springs because of its ties to the railroad, the Billings, in honor of a president of the Northern Pacific Company, and finally Cheney, in honor of Benjamin P. Cheney, a director of the Northern Pacific Railroad."
